## Ben WIJNEN

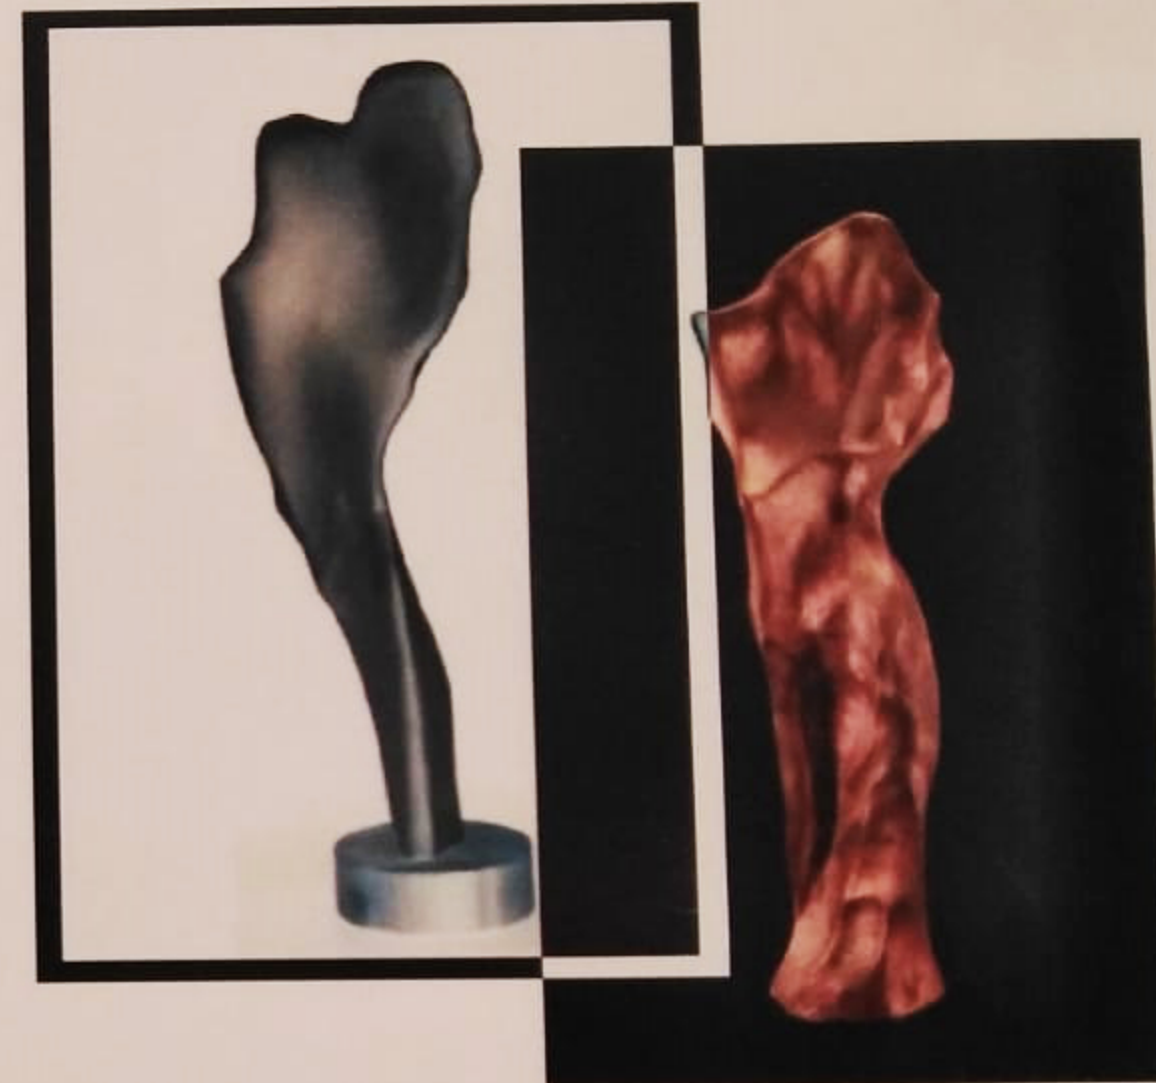

Artist born in 1961 in Bernheze, The Netherlands.

1988 - Academy of Fine Arts / Tilburg / The Netherlands  
B.A. Bachelor of Art / Masterdegree for Drawing / Masterdegree for Teaching in Art.

From childhood on, WIJNEN did make drawings, inevitable with the eye of a sculptor. Besides working with marble, he also makes small models in clay, outlines for his marblepieces.

In the Provence WIJNEN did make his first sculpture in sandstone. In 2001 he brought his first visit at Pietrasanta. There he was immediately in love with the marble Carrara Statuario, because of it's purity. For several years he started carving his sculptures at the professional studio Sem. Nowadays WIJNEN works at his oeuvre in his studio in Via Umbris in the neighbourhood of the center of Pietrasanta.

Since 2006 his work can be found in private collections and in artgalleries in the Netherlands, France, United Kingdom and Italy.
